## EDUCATION

**New Egypt High School**

High School Diploma in Secondary Education

( 2019-2022)

## SUMMARY

Creative WordPress Developer with top-notch expertise in crafting custom plugins and optimizing site functionality for performance and scalability. My broad experience extends to integrating AI and Python enhancements, making each project more efficient and innovative. Fluent in Arabic and English, I excel in handling diverse client projects, ensuring solutions are perfectly aligned with client needs. Committed to high-quality outcomes, I am adept at using advanced technology to enhance user experience and streamline backend processes.
